Product Variants

- #53873 - A331 Beehive Pendant Light - - \$ 1,500.00

Product Description

Alvar Aalto first introduced the light A331 pendant as part of the décor of the University of Jyväskylä in 1953. Also known as Beehive, it has become one of Artek's most popular lights. A331's signature shape consists of a white aluminum shade and polished brass plated steel rings that filter the light in the most beautiful

manner. UL approved.

Light Bulb: E26 75W (Not included)
