Product Description

The Accent Table is designed by the Danish architect duo Space Copenhagen and combines a sculptural and handcrafted aesthetic. Following along the same bloodline as the highly successful 2009 Stool Stool, the Accent collection consists of three coffee tables, a larger oval lounge table, and round dining table. The various sizes allow for creativity and flexibility in configuration and creating different atmospheres for both home and public spaces. Crafted in solid FSC certified oak and available in two stains; a sirka grey or a white matte lacquer. Made in Europe.
