## Product Description

Add Soft Modular seating system is a new edition to the collection due to its "soft" seating and backrest. Made with powder-coated die-cast aluminum frame and webbed elastic support. Backrests and accessories can be fixed to the frame in several positions by using existing holes. Die-cast aluminum legs, one for corners and another to connect frames for larger configurations. Cushions and backrest in fire-retardant polyurethane foam with different densities, upholstered with removable fabric. Add is complemented by tops in various finishes. All metal parts are powder coated.

The collection includes indoor and outdoor: various seating options, table, and storage options. Suitable for contract and living environments. Designed in 2018. Made in Italy.
