Product Description

A round dining table, named after a district in Tokyo famous for its fashion houses, restaurants, and interesting shops is where Danish-French architect and designer, Paul Leroy found his inspiration for the table. Consequently, this piece is Danish-French by design with a hint of Japanese style. The Frame System is a simple, functional, multi-purpose table design that comes in a range of sizes and can be used alone or in conjunction with additional tables. The Collection includes: dining and coffee table. Please note some finishes are not available in some of the sizes.
