

Aplomb Large Suspension Light

Product Categories: [Lighting](#), [Suspension](#)

Product Page: <https://propertyfurniture.com/product/aplomb-large-suspension-light/>

Product Description

Hanging lamp in concrete offered in three, colored finishes which celebrate its personality, bringing together different styles, from the traditional grey of cement in its raw state, which adds depth to the volumes, to a stylish white hue, and a warm intense brown. Perfect for occasional tables, peninsulas, and counters, either on its own or in a group. LED technology now meets the textured and contemporary charm of concrete, in a new version of the Aplomb suspension lamp. The long-life assured by the light source makes for a reduction in maintenance work, whereas its particular efficiency adds further value in terms of energy savings and eco-sustainability. Smaller suspension and outdoor lights available. The collection includes: a wall light. UL listed. Quick Ship available. Made in Italy.

Light Bulb: LED 9.2W Multichip mid-power 2700K (Included)
