

## Apollo Light

Rating:

**Product Categories:** [Floor](#), [Lighting](#)

**Product Page:** <https://propertyfurniture.com/product/apollo-light/>

### Product Description

Apollo is a floor lamp combining the brutality of marble with the lightness and transparency of the glass. The LED light beam showcases the beauty and details of the material. Apollo's tilted base makes it look like the lamp just landed, like the American space capsule that inspired its name. Designed in 2013. Hand Made in France.

## Product Attributes

**Dimensions:** 17"Diam. x 17.75"H**Color:** Clear Glass with Marble Structure: White Pele de Tigre or Black Marquina.
