Product Description

Three inclined support points, made of steam-bent beech, give movement and lightness to a coffee table that can be flexibly used in the various living areas. The top is available in a wood or a glass version, both surrounded by a steam-bent beech edge. It expresses the company's production, with a significant touch of modern taste. The collection includes: clothing rack, coffee table, and dining table. Designed in 2014. Handmade in Italy. Limited Stock Available Please Inquire.
