### Product Description

Art Console is the expression of a clear and rational design intuition, like the geometric shape which inspired designer Gino Carollo. Console characterized by a painted metal base or with an extra charge with metal finish or matte bronze or matte lead metal painted. The base in the standard version is characterized by an insert, of the same finish as the base. With an extra charge, they are available in different colored painted metal, in wood, or ceramic in the same top finishes (no matte white lacquer). Top available in solid wood, natural edges wood, or ceramic. The collection includes: table and

console table. Made in Italy.
