Product Description

Bed in painted tubular steel. The base structure, composed of five elements, is completely knockdown. The baldaquin is composed from two side bars more two panels entirely welded that are supported on headboard and footboard; it has no structural but aesthetic function and it is possible to remove it from the bed in any moment. The roll up orthopaedic bed base is made of 16 slatted in multi-layered beech and pvc side band. Available in combining: night table, carpets, pouf and cupboards.
