Product Description

A luxurious stool with upholstered back and metal frame. The iron structure is available so many different finishes including gold, brass, and metallic metal finishes. The seat is made of shaped and curved wood. It is padded in two-density rubber and upholstered with a sartorial work. Upholstery in fabric, velvet, leather or fabric. A stool with a vintage flavor because of its unique design. The stool is also available without an upholstered back. Suitable for contract use.

The collection includes: dining chair, lounge chair, rocking chair, and stool.
Handmade in Italy.
