Product Description

The light has a seductive form that recalls the aerial vision of an archipelago, with radiating light that subtly emphasizes its topographic nature. In the mini version, the largest disc has been removed. The LED version is the natural development of Bahia. Foscariini has developed and engineered the LEDs in this model and managed to improve the magic of the light. Injection-molded polycarbonate. UL listed. Collection includes ceiling and wall light. Quick Ship available. Made in Italy.
