Product Description

The Beetle Lounge Chair is with its comfortable design and generously proportioned silhouette, the perfect lounge chair for relaxation at any contemporary home. The Beetle Lounge Chair carries strong references to GamFratesi's inspirational source; the four-legged insect, the beetle. The design of the Beetle Lounge Chair reinterprets the characteristic elements of the beetles' sections: shape, shells, sutures, rigid outside and soft inside. The wide range of upholstery options allows personalization, making sure it matches the interior in the most decorative and beautiful way possible. Add the Beetle Ottoman to complete the look and make the seating even more comfortable. Plastic glides included, felt glides available on request. The Collection includes chairs, barstools, sofas and lounge chair. Other versions include chairs with metal or swivel base.

Note For Velvet Upholstery: No Ironing. Only Steaming. Steaming might be necessary to remove pressure marks due to hand upholstery.
