Product Description

Table lights made from polycarbonate and lacquered stainless steel. The slim stem recalls the trunk of a tree, its shade is a reinterpretation of the classic reading lamp, while the branch, as if ready for a “birdie” to a light, beckons your touch, turning it on or off. These three elements spontaneously coalesce to give life to a friendly lamp, that combines a smooth and familiar structure with a bold character. Always monochromatic, from the lampshade to the base for a decisive character without compromises. The optional touch dimmer is available. Also available as a suspension light, wall light, and floor light. UL Listed. Special colors on request made to order.

Light Bulbs:

Small On/off switch: halogen 1 x 60W E26 or compact fluorescent 1 x 20W E26.

Small touch dimmer: halogen 1x70W E26.

Large on/off switch: halogen 1 x 150W E26 or LED retrofit or compact fluorescent 1 x 26W E26.
