

Bollard Lamp

Product Categories: [Lighting](#), [Pendants](#)

Product Page: <https://propertyfurniture.com/product/bollard-lamp/>

Product Description

A versatile lamp that can be used alone or grouped together in a home, office or café environment. The Bollard light is cleverly designed clip and foot, which allow the lamp to perform in many situations. Suspended from the ceiling the lamp functions as a traditional light but clipping the cord into a side fastener it can work as a spotlight. Bollard may also be used as an upward beam light when placed on its foot or can be casually placed horizontally on a shelf. UL approved. If UL listing is needed available for a custom upcharge.

Light source: 1 x 5W 120v GU10 MR16 LED
