Product Description

Series of storage furniture covered with a special colored mirror, available in the transparent colored glasses, glossy lacquered glasses or opaque lacquered glasses. The horizontal parallelepiped drawer has a push-pull opening system, the bottom of which is made of glass in the same finish as the outside. The cube and the vertical parallelepiped have instead a door with push-pull right or left opening system and shelves in tempered transparent extralight glass mm. 5 thick. it is available a lighting version with the lacquered finish (not available with the colored mirror finish) in which a

hidden lamp emits a colored and soft light outside the furniture, whilst in the version with the door it illuminates also its inside thanks to a back in white glass which diffuses light. The inside of the unit is in dark brown oak. All versions are provided with wheels. Handmade in Italy.
