Product Description

Three is harmony. The CAPSULE trio is a set of dishes made of elegantly contrasting materials. It comprises two matte painted wooden boxes and a lid in oiled natural wood. The slight hollow in the top of the wood makes it suitable for use as a third trinket dish in the set. The CAPSULE trio comes in two combinations, and works well in any context, for keeping keys or odds and ends, as a decorative holder for office items, or as a box for keepsakes.
