Product Description

The Tribeca series is a mix of lamps, pendants, and chandeliers, all inspired by the New York City glamour of the late 1930s. The name Tribeca refers to a very popular part of New York in lower West Manhattan, the triangle below Canal Street. The various shapes and designs in the Tribeca series were created in an inspiring creative process where Søren Rose traveled the States, searching for beautiful old lamps and reusable parts to create each unique piece. The Tribeca collection includes chandeliers, table, wall and ceiling lights. UL approved. If UL listing is needed available for a custom upcharge. Optional Bulb: The dimmable LED bulb, with its elegant, spherical form hides the lamp fitting, while the opal glass diffuser creates an even, harmonious glow, preventing glare. The accessories in the series are likewise driven by the need for portability - so the wall bracket can either be wired in or hung from a nail like a picture, with a cable plugged into a wall socket.
