### Product Description

The Chester armchair available in 2 colors, is ideal for any outdoor environment. Its classic, Danish design ensures that this series looks great both on patios and gardens worldwide. The durable poly-rattan used in the production of our furniture results in the ability for our products to remain outside all year, in all types of weather and still remain maintenance-free. Our Chester armchair utilizes beautiful, straight lines to achieve a contemporary, yet comfortable feel. The collection includes an armchair, sofa, and ottoman.
