### Product Description

The chouchouThe distinct form is a substitute for the caramelized smell of its peanut candy namesake. Just too hard to resist, its ceramic form adds a tactile feel to the ChouChou stool. Available in a black, deep blue, or deep pink gloss glaze, its shape speaks to the history of ceramic design in a contemporary form. A truly unique addition to any interior. Who wouldn't want a chance encounter with ChouChou a little more often? Note: Each piece is created from a mottled or gloss glazed ceramic. Streaks and other variations in size and color are part of the production process and not

defects of the design or production. The collection includes: stool, coffee, and side tables. Designed in 2019. Handmade in Europe.
