### Product Description

The Circus Floor Light is a unique presentation of interlinking rings, inspired by the jewelry stands that would typically adorn a makeup table. Handmade in New Zealand and designed by Resident Studio, each Circus ring projects an elegantly diffused warm LED light-source outwards around a 360-degree plane. Circus is a remarkable decorative floor lamp with a small footprint, making it convenient for both commercial and residential applications. Integrated touch dimming system. Light source: LED 96W lumens 11520lm color temperature 3000K life span 50,000hours. CE certified. The collection includes: a series of pendant lights and floor light. Designed in 2018. Handmade in New Zealand.
