### Product Description

Give your home a pop of color with the Circus pouf; a versatile furniture piece in an exclusive, Scandinavian design. With its rounded shape and clean, graphic lines the Circus is a modern interpretation of the antique Moroccan leather pouf. Circus consists of hard foam in the bottom part and softer foam on the upper part for good sitting comfort. The ottoman is covered in a durable furniture fabric in velour that is sewn together. The ottoman has a wooden board at the bottom for stability. To preserve color and appearance, we recommend regular vacuuming, preferably every week, with

a soft fitting. Designed in 2013. Handmade in Lithuania. Inquire regarding Quick Ship options.
