Product Description

The Clover array is a direct descendant of the Super Clover, a large geometric lighting form based upon extensive study of the opportunities presented by creating light sculptures within a mathematical grid system. Clover extracts specific elements from this study to create simple and small usable lighting objects that can find use every day in the home. Collection includes pendant, floor and table light. Light Sources: 1×LED module, strip 4,8W/M, 2700-3000K DC12V, 8W. *UL Listed. Hand made in the Czech Republic.
