Product Description

Clue is a collection of organic-shaped tables with fully enclosed sides that may be used individually or grouped together to form configurations. The table is available in two heights with maple or walnut veneers. The optional power module includes power + USB installed in the top of the work surface. Due to the organic shapes, the dimensions can vary depending on the orientation of the product. Therefore, a maximum dimension is provided. Approved for GSA. Suitable for contract/high traffic or residential projects. Handmade in the USA.
