Product Description

Concierge is hand-built using classic and modern woodworking techniques, proudly made in Portugal. Its top features practical storage with several compartments such as three drawers, one round lid compartment to collect the items on the top and one shaped strip in solid walnut with supporting grooves to display books and magazines. Simple, functional and space-saving, Concierge easily integrates into almost any type of décor, from the hallway as a temporary resting place for the keys and pocket overflow to the lounge displaying prized possessions.
