Product Description

Light tubular structural elements with the strength of the thick table top, Coseno is a multifunctional console: a display surface, dressing table, and mirror. Precisely because of these features, it is an ideal item to be placed either in the hallway or the bedroom. Console supported by a metallic tubular base: painted, chromed or (at extra charge) with matte copper metal or matte brass metal finish. Top available in veneered wood. Fitted with a swivel mirror. Made in Italy.
