Product Description

The Cut bar chair is designed for use indoors around a kitchen table. The Cut bar chair in this low version can, of course, like the other members of the CUT series be used outdoors as well. The bar chair is powder coated with a durable outdoor paint in white RAL 9002. The frame is made from aluminum making it lightweight and easy to move around. The bar chair is stackable, and blends in with any type of interior or exterior setting. Available with matching bar table.
