## Product Description

Diadema is a lighting system based on a single element, the rod of pure glass. It takes advantage of the way it reflects and transmits the light while offering a sense of movement by using rods of different sizes. The metal body allows offering multiple variations and ample space for custom-made versions with a concealed metal body, thanks to the fixing system developed for this collection. The collection includes: suspension, ceiling, table, floor, and wall lights. Light Bulb: G9, 40W(Not Included). ETL Listed. Designed in 2005. Handmade in Italy.
