## Product Variants

- Escape Sunbed (#56380)

## Product Description

The Escape sun bed is top comfort, whether you are sitting and reading or lying down enjoying the sun. The Escape sunbed was born via a hotel project in the Caribbean by the young Danish industrial designer Rikke Frost. The design was so extraordinary that it just had to be pursued. Major challenges to achieve the right comfort lay ahead, but the results speak for themselves. Suitable for contract environments.
