Product Description

A fluid vibration on glass. The Gem table lamp is a seductive object that declares at first glance the superior value of the material and the fine craftsmanship of its manufacturing process. Unmistakable even when it is switched off, it has a satin gold-colored pedestal that enhances the hand-blown glass, allowing it to play the starring role. Collection includes table and suspension light. UL listed. Quick Ship available. Made in Italy.

Light Bulb: LED Retrofit 1 x 25W E27 or Halogen 1 x 150W Dimmable E27 (Not Included).
