

Geres Media Unit

Rating:

Product Categories: [Media Cabinets](#), [Storage](#)

Product Page: <https://propertyfurniture.com/product/geres-media-unit/>

Product Description

This media unit highlights its maximal utility as a place and to store items. It is reinforced by four elegant trimmed legs and a colored sheet metal fixture that divides and supports the full length. The slightly lowered top originates a small edge all the way around. This movement ends with negative space - a new space where cork becomes the protagonist and a plant may coexist. Handmade in Portugal.
