Product Description

The Gubi 2.0 Coffee Table by Gubi is made of the finest materials contributing to its unique and exclusive identity. With its circular shape, the table celebrates the authentic way of bringing people together and enables an intimate interaction whether it is for meetings or relaxed socialization. For the GUBI 2.0 Coffee Table, the GUBI Design Team has proceeded from the circle's characteristics and the idea of where circle meets circle. It is constructed with one circular base standing on a circular plate and finishes with a rounded table top. With its clean lines and simple details, yet sturdy and exclusive materials, this table brings forward fresh and different opportunities for use and styling in combination with the entire Gubi collection of modern contemporary classics. Coffee table available in marble, glass,

wood or laminate. Please note some finishes are not available for certain sizes. Brass edge not available for all sizes. The Collection includes a coffee table, dining table, and oval table size. Made in Europe.
