

Highline Bookshelf

Product Categories: [Storage](#)

Product Page: <https://propertyfurniture.com/product/highline-bookshelf/>

Product Description

A contemporary bookshelf with sides in transparent extralight 12 mm thick shaped and curved glass. Shelves in transparent extralight and tempered glass, available in glossy lacquered and opaque lacquered glass, or in cement in anthracite color. The upper shelf of the bookshelf is fixed mechanically to the sides by means of screws; the other shelves of the bookshelves are instead simply inserted into the glass milling.

A desk is also available as a part of the Highline Collection.

Product Attributes

Dimensions: 63" W x 14" D x 37" H **Color:** Extralight transparent glass sides, with glossy or opaque lacquered glass shelves in a variety of colors

Shelves also available in anthracite concrete.
