

I-Beam Bench

Product Categories: [Benches](#), [Seating](#), [Storage](#)

Product Page: <https://propertyfurniture.com/product/i-beam-bench/>

Product Description

The I-Beam Bench is a striking furniture piece with a simple design, resembling a construction beam made from glass. The minimal and linear glass junction obtained through high resistant structural gluing is the essence of this design. Featuring tempered and laminated glass, this is an incredibly unique bench or storage unit. Completed by removable cushions in color fabrics. The collection includes: coffee table, side table/stool, and bench. Handmade in Italy.
