Product Page: <https://propertyfurniture.com/product/kant-stool/>

Product Variants

- Kant Stool - Black (#20862)

Product Description

Kant is the stool inspired by the words of the philosopher, that blurs the lines between art and nature. Produced in recyclable reinforced polypropylene, Kant has a carrying capacity of up to 200 kg/440 lbs. of weight despite its characteristic cantilevered construction. Suitable for indoor, outdoor rain or seaside use, for both domestic and contract environments. Designed in 2006. Made in Italy.
