Product Description

An armchair, suitable for conversation, designed both to be used in the home and for intense contract use: reception rooms, waiting rooms, hotel rooms, and a chair for the dining table or meeting table. Both are comfortable and ergonomically correct. Covers are fully and easily removable. Cold-moulded foamed polyurethane with metal insert, sprung with elastic bands. Under-covering in Velfodera lining, frame of metal with chrome finishing. Available for contract use in fire-proof materials. The collection includes a lounge chair and dining chair. Designed and handmade in Italy.
