Product Description

The Ladle armchairs want to re-edit the design with a contemporary point of view, but above all the feeling and the comfort of the 60' years classic armchairs. The fixed element in the different versions is the seat frame, to which you can add three different backrest heights, with three different bases: four wooden legs, four tubular legs or four spoke swivel base. It is possible to create a very large possibility of proposals with a personal character, maintaining the aesthetical and functional point of view. You can also use them individually in very different spaces and atmospheres. The fabric details, present in Ladle, give particular importance to the handwork and manual skill, that will mark out this seating system. Ladle, like the big wooden spoon, collects the body shape, giving a very soft and embracing comfort. Metal structure. Upholstery in molded polyurethane foam and polyester

slipcover. Backrest upholstery in Rollofil. Base can be in wood, metal or swivel steel. The collection includes: low, medium or high back lounge chairs. Designed in 2014. Handmade in Italy.
