Product Description

Lama is a sideboard with a dual personality. It can be wall-hanged or placed free-standing in the center of the room, to be appreciated in all its details. The base, which fits diagonally in the furniture body from the ground to the top, transforms the furniture composition and redoubles the formal value if admired on both sides. Presented in bog oak and with silver-plated brass inserts, it can be made of different material combinations – finishes and metals – and dimensions. Extra clear glass interior shelves. Available with wood or metal legs. Please inquire for size and finish customizations. Hand made in Italy.
