

Landscape Desk

Product Categories: [Desks](#), [Tables](#)

Product Page: <https://propertyfurniture.com/product/landscape-desk/>

Product Description

The distinctive Landscape Desk initiates a design tension between rough and smooth, straight lines and faceted shapes. Its novel metal structure is the foundation from where mountains and hills arise, reimagined in its silhouette. The desk devises a panoramic setting that can be appreciated from any vantage point. The screen can be specified on left or right side. Made to order.
