

## Lilly Sofa

**Product Categories:** [Outdoor](#)

**Product Page:** <https://propertyfurniture.com/product/lilly-sofa-2/>

### Product Description

Sofa inspired by the world of flowers. Its structure can be described as having dynamic and wavy shapes that have been designed to give life and energy to informal and friendly spaces. Simple figures seem to come to life and to naturally transform themselves into shapes that remind us of plants or flowers, while maintaining their ergonomic features and levels of comfort.

Suitable for indoor/outdoor use.

The collection also includes chair, armchair, table and table with ice bucket.
