Product Description

Wall lamp in blown glass characterized by its dynamic look, given by the direction of the diffuser's upper area, which is oblique with respect to the support surface, thanks to a cut that divides the glass in a surprising and original way. Collection includes ceiling and wall lights. UL listed. Special colors on request.

Light Bulbs:

XXS: fluorescent 2 x 18W (Not included) or LED 30W 2700K dimmable (Included)

XXL: fluorescent 1 x 40W + 1x22W (Not included) or LED 55W 2700K dimmable (Included)
