Product Description

A series of beautifully distorted lighting globes that creates a mesmerizing melting

hot blown glass effect. Translucent when on and mirror-finish when off, it emits an attractive, mildly hallucinogenic light. Hang as a standalone statement pendant or a few together to create a striking centerpiece for any room. Born from our collaboration with Swedish radical design collective FRONT. Available in two sizes. Clear electrical cable. Please inquire about multi-light configurations. Designed in 2014

Light Bulb: E26 60W (max) (not included)

LED Bulb: 6W LED (included). LED and driver are replaceable via Tom Dixon.

UL listed
