

Meshmatics Chandelier

Product Categories: [Lighting](#)

Product Page: <https://propertyfurniture.com/product/meshmatics-chandelier/>

Product Description

The latest addition to the Meshmatics collection continues in the search for new uses for chicken wire. In Meshmatics Chandelier the mesh not only works as a structural element, but also as a reflector for the integrated LED light source. The open structure of the mesh provides that the LED cooling and scatters the light through the room.
