Product Description

The Modern Line Pouf is an evolution of the original Modern Line Sofa design from 1949 by Greta M. Grossman and echoes its characteristic clean lines and feminine aesthetic. The slender legs lend visual lightness and allow mobility when an extra seat is needed. The Modern Line Pouf, available in two sizes, is to be used as an expressive standalone occasional seat. The collection includes dining lounge chair, low lounge chairs, sofas, daybed, chaise lounge, and ottomans.
