Product Description

Moments is setting new standards for multi-flexible design with its Scandinavian and elegant, transparent and minimalistic design. It is produced with Cane-line Soft Rope and SoftTouch QuickDry cushions. The Cane-line QuickDry system is a special technique for your comfort - after app. one hour of rain showers cushions are dry again. Choose between the many modules and create your own lounge. Sold with seat and back cushions. Protective covers available. The collection includes a sofa, sectional sofas, lounge chair and dining chair.

Quick Ship version available [here.](#)]
