Product Description

The Multi-Lite Collection designed in 1972 embraces the golden era of Danish design with its characteristic shape of two opposing outside, mobile shades that enable creating a personal installation and a wide range of lighting values in a room. By individually rotating the shades, the Multi-Lite Pendant Lamp can be transformed into multiple combinations where the light can be directed upwards, downwards or exude an asymmetrical art light. All versions come with black textile cord and black foot switch. Switch on cord. Collection includes pendant and floor light.

Light Bulb: Max 60W-Incandescent, 40-60W Halogen or 6-10W LED, E26 socket (Not Included)
