Product Description

Nami, from the Japanese "wave", is a metaphor of light: the glass wave refracts the light of multiple light sources that are mysteriously hidden inside. The glass and the light, the two key elements, coexist in harmony and enhance each other. Suspension lamp with textured and curved glass diffuser. Metallic coated structure. Light Bulb: LED 4x14W 2700K 2400lm(Not Included). Designed in 2017. Hand Made in Italy.
