### Product Description

The collection traverses the diversity of crystal chandeliers to a simple outline which symbolically creates a never-ending shape in its rotation. It is approaching the phenomenon of specific chandeliers which fulfill the distinct role of cherries on a richly decorated cake. The design raises the centuries-old renown of Czech crystal, similar to the artistry of Czech glassmakers, using the traditional method of blowing glass into an oak mold during production. The silhouettes are recognized as iconic chandeliers from five of the world's most eminent concert halls and theaters. This particular Chandelier is inspired by Palais Garnier in Paris. The Neverending glory collection also includes chandeliers inspired by Bolshoi Theater in Moscow, the Metropolitan Opera in New York, the La Scala in Milan, and the Prague Estates

Theater. Available in two sizes and three finishes. Also available as a cluster of pendants. Collection includes pendant, table, floor and wall light.  
Light bulb: 1 × E27, max 40W \*UL listed.
