Product Description

The idea behind the collection '900 is to reduce the traditional Murano chandelier to its most recognizable element, its profile. This shape is then reconstructed in a 360° glass outline, that keeps the same characteristics of the original design and is, therefore, suitable for both classic and contemporary ambiances. The collection includes: suspension, ceiling, table and floor light. Light Bulb: E12, 40W or E26, 60W(Not Included). Designed in 2013. Handmade in Italy.
