

Nubilo Sofa

Product Categories: [Loveseats](#), [Sofas](#)

Product Page: <https://propertyfurniture.com/product/nubilo-sofa/>

Product Description

A sofa in which the multiplication of cushions evokes the image of a cloud. Softness, comfort, velvet, are accentuated by the association of three high-quality materials. The cushions vary in their size and form and ask to be played with. Attached to the sofa structure by elastics and press studs they can be moved and repositioned according to desires, alone or together, seated or lying down. Constructed of coated steel, wool, velvet, polyester, polyester foam, fabric coating. All the cushions, even the sitting one have removable covers for dry cleaning. The collection includes a lounge chair.
