Product Description

Ornamental lamps with a minimal texture. Available in 3 sizes. These are also conceived as a seat, floor lamps and pendant lamps.

Light is produced with energy-saving lamp up to 32W (not included) , with controllable RGB bulb with remote control or with 3,5 W rechargeable RGB LED. In the latter, the maximum battery life is 8 hours and recharging is done by induction with no electrical contact between the loading station and the battery, for maximum safety and ease of use. With the remote you can remotely control even more lamps simultaneously.

Suitable for outdoor use.
